Premium Garage Doors

Echo Ridge **XL** Series

Classic carriage house style with extra-large windows.

WINDOW OPTIONS

COLOURS

Engineered for beauty

Enjoy the view.

We've taken our beautifully crafted Echo Ridge door and fitted it with a larger 28" or 32" (711mm or 813mm) top section to showcase our extra-large windows in Insert and Clear designs. This three-section door has white, almond or taupe overlays in five styles, providing numerous design combinations and a total door thickness of 2 3/8" (60mm). Customize with decorative hardware and four window options to add period-charm and curb-appeal to your home.

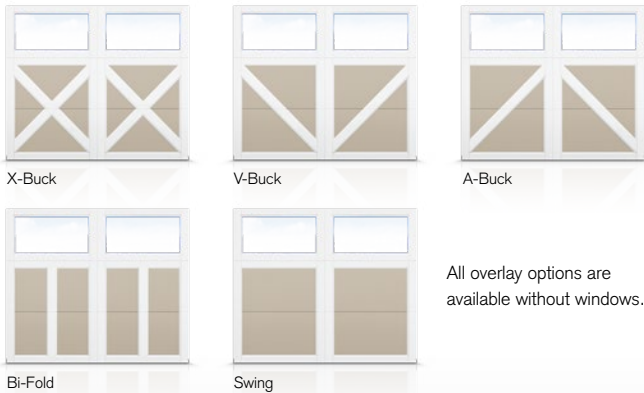

Window Options

Windows are constructed with 28" or 32" high sections with tempered glass on the exterior and acrylic on the interior

* 10' (3048mm) wide doors use a 4-over-4 pattern

Overlay Options

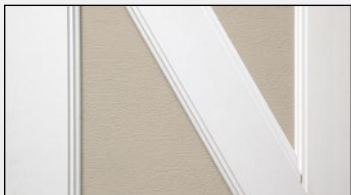

All overlay options are available without windows.

Mix or match.

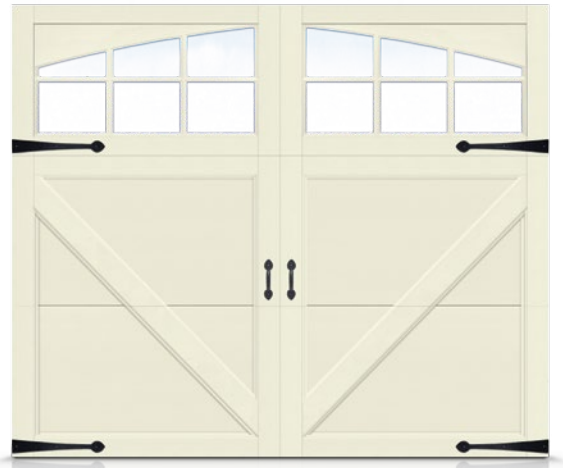

Overlay trim boards made of a revolutionary composite can be matched* to the flush panels underneath or contrasted in classic white.

* Overlay trim available in white, almond or taupe only.

Engineered for **life**

Not just another pretty face.

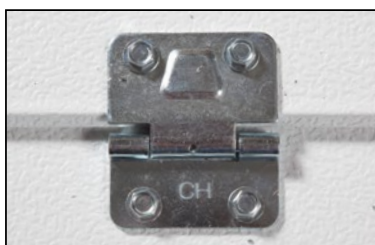

We make beautiful doors. We also care that what's behind them will keep your door worry and maintenance-free for years to come. In business since 1912, we have an established reputation for exceptional quality and unparalleled customer service. Our hardware components are made to the highest industry standards. Sections are constructed from high-strength galvanized steel. We believe in our doors and we back that up in writing with our **LifeTimer™** warranties.

11 Ball bearing rollers ensure years of smooth and quiet operation.

Tamper-resistant cable attachment cannot be released under tension, helping to prevent accidental injury.

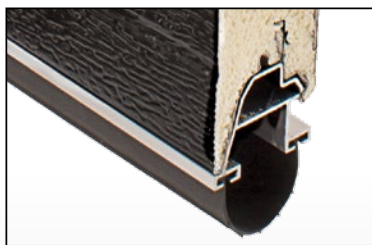

Patented commercial-grade linear-type hinges have the highest strength-to-weight ratio in the industry.

Optional arctic grade, dual-fin perimeter weather seal with concealed fasteners.

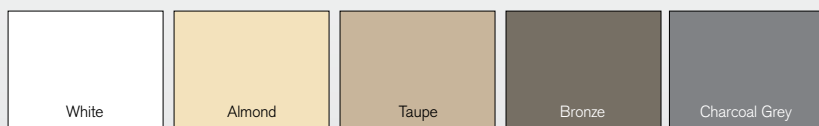

Section joints have a dual seal, ensuring a tight fit and reducing air flow.

3" (76mm) arctic-grade bottom weather seal helps protect your garage from the elements.

Find your match.

Five contemporary colours to compliment your home's exterior detail. Overlay trim boards are available in white, almond, and taupe.

For additional features and benefits, talk to your dealer or visit www.rwdoors.com

What's your size?

We've got it. Our doors are available in all standard opening sizes for single and double car garages and can be made to almost any custom size.*

Widths	ft	8 to 18 in 1" increments
	mm	2438 to 5486 in 25 increments
Heights	ft	7' to 10' in 4" increments
	mm	2124 to 3048 in 102 increments

*Consult your Authorized Richards-Wilcox dealer for more information.

1 3/4" | 45mm THICKNESS

Strength in numbers.

An insulated core ensures a strong, long-lasting door and provides an R value of 16 for exceptional thermal resistance.

Love your handles.

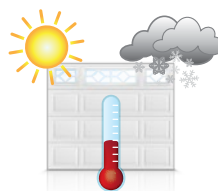

Transform your door to a beautiful reproduction of the past by adding decorative hardware elements with the look and feel of hand-forged wrought iron.

* See dealer for complete decorative hardware options.

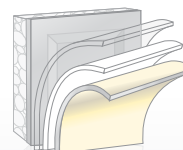

Steel is the new wood.

Authentic woodgrain texture embossed on panels gives you the aesthetic of wood without the cost or hassle of maintaining it.

Weather the storms.

Built to withstand many different weather conditions, our doors have a continuous polyurethane insulated core, arctic-grade bottom seal and dual-seal section joints to help reduce air flow and lower your energy costs.

Built to last.

Door sections are constructed from high-strength, rust-resistant galvanized steel coated with a baked-on polyester paint finish, ensuring a durable and long-lasting door.

Green comes standard.

Our Neufoam™ polyurethane insulation is zero ozone-depleting to help reduce greenhouse gas emissions. Woodgrain embossing simulates real hardwood without depleting our forests.

LifeTimer™ Warranty

Lifetime warranty on the door section and hardware for as long as you own your home.
